| Primary Article Identifier | 4050300003962 |
| Declaration No. in SCIP database | In work |

Light Distribution

HAL_UVS_ALU

Ecodesign regulation information:

Separate control gear and light sources must be disposed of at certified disposal companies in accordance with Directive 2012/19/EU (WEEE) in the EU and with Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 in the UK. For this purpose, collection points for recycling centres and take-back systems (CRSO) are available from retailers or private disposal companies, which accept separate control gear and light sources free of charge. In this way, raw materials are conserved and materials are recycled.

Logistical Data

Product datasheet

| Product code | Product description | Packaging unit (Pieces/Unit) | Dimensions (length x width x height) | Volume | Gross weight |
|---------------|---------------------------------|--|--------------------------------------|----------------------|--------------|
| 4050300003962 | HALOSPOT 48 20 W 12 V 8° GY4 | Shipping carton box 10 Pieces Folding carton box | 231 mm x 69 mm x 96 mm | 1.53 dm ³ | 253.00 g |

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
